

CONTENTS

The Book is a collection of items gleaned from many sources. These are collected (inexactly) into the sections, Historical, St Ann's Church, and Other (which includes Baslow Charities and the Enclosure Award). Most are in Chronological Order.

These Contents are not comprehensive: They highlight the more significant and interesting pieces. The illustrations usually are connected with nearby pages

The Page number in brackets is the page in the PDF document

Part 1 Historical

Page (PDF) Subject
